## Introduction

Established in **2001**, **Al Yazeem** Company is a general contracting firm based in the Abu Dhabi, United Arab Emirates. The company has extensive experience in the construction of villas, design, aluminium, interior & exterior decoration and Landscaping. **Al Yazeem** Company has a highly qualified and experienced team of engineers, managers, professionals who have obtained numerous ISO and high classification certificates , 200 plus employees and finished 140 Nos Project until now.

## About Us

**Al Yazeem** Company's tasks include:

Providing general contracting services for the construction of villas, aluminium, iron works, design, interior & exterior decoration and Landscaping.

Managing and coordinating projects from start to finish, including planning, budgeting, scheduling, and quality control.

Maintaining good relationships with clients and stakeholders to ensure customer satisfaction and repeat business.

Ensuring compliance with all relevant laws, regulations, and standards related to construction and project management.

Managing the financial aspects of projects, including budgeting, invoicing, and payments.

Continuously improving processes and techniques to enhance efficiency and effectiveness.

## Our Vision

**Al Yazeem** Company's vision for general contracting is to continuously develop and expand its operations to encompass all areas of contracting, including carpentry, blacksmithing, decorating, design, project management, and maintenance. By broadening its scope, **Al Yazeem** Company aims to provide comprehensive solutions to its clients and establish itself as a leader in the industry. The company also aims to continuously improve its project management and maintenance capabilities in order to deliver the highest quality services and results. Through these efforts, **Al Yazeem** Company strives to become a trusted partner for all of its clients and contribute to the development and growth of the industry as a whole.

## General Contracting

**Al Yazeem** Company has a long history of success in the field of general contracting, particularly in the construction of villas and all types of cement work. The company has completed numerous projects under the supervision of specialized architectural engineers. In addition to these construction projects, **Al Yazeem** Company has also carried out a wide range of general contracting work, including villa pools and other leisure facilities. Through its dedication to quality and attention to detail, **Al Yazeem** Company has established itself as a reliable and respected partner in the industry.
