EUROPEAN CORNER

- Company Profile

EUROPEAN CORNER LLC has been established in 2002 to answer the need of the on-growing market for high quality European design sanitary wares of the then blooming Dubai market.

After 19 fruitful years, the company has grown into one of the leading companies in the Sanitary ware industry and prides itself in offering complete service to its clients, great variety of products and bespoke bathroom solutions of the highest quality that meets the rigors of every day use.

With creative styles made by craftsmen worldwide, the most up to date trends and fashion styles and yet keeping the traditional way of international cultures, all of which are needed in a constantly evolving market, European Corner LLC managed to offer ideas to create the perfect bathroom that suits every clients budget and lifestyle.

Partnered with a host of leading industry manufacturers, the company succeeded in providing creative products that combines traditional and modern design, convenience, functionality and high quality with a guarantee that all products in the selection have been tried and tested to fulfill its maximum function.

EUROPEAN CORNER LLC stands by its mission: Quality, Service and affordability with a credo of providing the complete bathroom solution for the need of every individual client.

With highest standard of quality and affordability:

- Sanitary Wares
- Bathtubs & Jacuzzi
- Taps & Mixers
- Spas & Wellness
- Bathroom Accessories
- Kitchen Sink
- Tiles & Mosaic
- Outdoor Showers & Foot wash

FUNCTIONAL

because...

CREATIVE CARE PRODUCTS

Quality is a constant to guarantee the functionality of the technical and aesthetic features, as well as the performance of our products and their durability.

Selecting various fittings. Lending form of each space by identifying its intimate harmonies every time. Ensuring that exclusive design parameters are matched by a high level of functionality. Ensuring that each element is fully consistent with the space which hosts it and can be enjoyed by the person who will use it.

Our rigorous internal quality levels allow us to comply with the most demanding national and international quality standards. European Corner has always been one of the companies to obtain the different standards and approvals that guarantee our commitment to quality: official approval for sanitary ware, bathroom furniture, sanitary fixings, faucet showers, Jacuzzi, wellness areas, tiles and floor, hotel amenities, shower enclosures and bathroom heating system.

QUALITY & FUNCTIONALITY

Today, more than ever, as the bathroom becomes a new central space within the house and its interior design, we are near your home, near you, your wishes and needs, with designs created to adapt to any style in interior design.

The result is the creation of a range of products with harmonious shapes and personality as well as the most demanding design, allowing you to choose the style with which you will express your tastes and lifestyle.

Elegance and design, perfect symmetry, personality... these are some of the traits of our lines. Discover the one which suits your bathroom best.

ELEGANCE & DESIGN

Protection of the Environment

Our products comply with the necessary requirements to qualify for certificates such as Green Category, LEED or BREEM*. They encourage the responsible use of water and natural resources.

More and more our products include these improvements in the field of sustainability.

(*) LEED: Leadership in Energy & Environmental Design

BREEM: Building Research Establishment's Environmental Assessment Method.

- We and our Suppliers believe that the environment and how we impact on it, is becoming increasingly important both ethically and corporately.
- The Earthwise [waterwise](#) sub-brand covers our aims on:
 - Water usage
 - Energy
 - Packaging
 - Recycling
- Our Suppliers are currently working with a government sponsored company.
- The BMA voluntary scheme
 - Showers 13 L/MIN @ 5 bar
 - Taps 5 L/MIN @ 5 bar
- Conservation and Efficiency / Water Efficient Fittings
 - Showerhead @ 8 L/min
 - Hand Wash basins @ 6 L/min
 - Kitchen Sinks @ 7 L/min
 - Dual Flush Toilets @ 6 Liters full flush, 3 liters part flush
 - Urinal @ 1 Liter per flush or waterless
