

INTRODUCTION TO BLINDTEX

Blindtex is a premium UK-based window coverings' firm. For over 30 years our team has been providing quality products, an exceptional brand experience and bespoke window treatments to various business sectors in the UK and MENA region. Designed in the UK and manufactured in UAE, our products undergo rigorous testing and quality control, while our Research and Development department is constantly expanding our product range to meet the rapidly growing demand for more sophisticated products at accessible prices.

OUR VISION

Our vision is to build worldwide recognition and create an exceptional brand experience while enriching the quality of life for the customers we serve.

OUR MISSION

Our mission is to establish Blindtex as a premier window styling company, and preserve while preserving our unwavering quality standards while we flourish. To always channel a passion for our clientele and be consistent in delivering the best customer service.

OUR BESPOKE SERVICE

All of our blinds are made to measure and customised to your specification. We can customise your blind to the exact colour, pattern or picture you desire.

TOP MANAGEMENT

MEET OUR EXPERIENCED EXECUTIVE TEAM

MARTIN CAIRNS

Managing Director

With over 30 years in the industry and a proven track record in both retail and manufacturing. He has overseen the unprecedented growth of the business since he took over in 2013.

He understands the value of a quality supply chain and ensures standards are maintained.

VICTORIA BARLAS

Product Design Manager

Coming from a UK textile town and using over 15 years of retailing experience in the window coverings sector, she has developed an eye for design. She now spends her time travelling to source fabrics, developing and delivery of new products to the market.

NICOLE CAIRNS

General Manager

Being raised in the family blinds business and having had the opportunity to work through the ranks in the UK, Nicole is now our new general manager. She has a bachelors in International Business, and her focus is on leading Blindtex towards continued growth and success, expanding our product offerings and increasing our market share.

SAID DARKAOUI

Creative Art Director

A multidisciplinary Creative Art
Director from Morocco heading the
Media & Marketing Department at
Blindtex. With over 22 years of UAE
experience in the industry, he is a
strong conceptual thinker and an
outstanding visual and strategically
focused designer with hands-on
expertise in media & graphic designing
software with Adobe, Autodesk &
Google certification.

ROLLER BLINDS

MANUAL | MOTORISED

Our team has developed an exclusive Blindtex roller blind fabric collection consisting of a range of digitally printed fabrics, blackouts, sheers and textures, offering various depths, patterns, shading solutions and colour ranges to suit all decor styles.

Our in-house design team has handpicked and fashioned a vast choice of fabrics unique to our collection. The fabric collection complements a luxe roller blind system that allows you to wrap the bottom bar in matching or contrasting fabric. The cassette can be manufactured similarly, meaning you have an end-to-end uninterrupted finish, making for a sleek finish touch for your home.

Staying up to date with the current trends in sheer and textured designs is at the forefront of our mission whilst creating a collection that hosts stunning details and patterns that meet the demands of home and business owners.

Vertical blinds are the most versatile of products giving you effortless control over light and privacy.

Blindtex offers a huge range of fabrics in a variety of colours and textures to suit all environments.

Our Vertical Blinds operate using a sleek Slimline or elegant curved profile headrail system with an optional decorative cassette to personalise the selection.

VERTICAL BLINDS

DUPLEX BLINDS

- MANUAL | MOTORISED

Stylish and simple to use, Blindtex Duplex blinds filter light into a room using a two-phase system that switches from dim-out to sheer.

Simply operated via a chain system, alternate strips of dim out and sheer fabrics can be aligned to create a full sheer blind, a full dim out blind, or a mixture of the two.

Available in a variety of colours, Duplex blinds work well in any environment.

CURTAINS

MANUAL | MOTORISED

Nothing says luxury quite like a pair of sumptuous curtains at a window.

Available in a number of style options, from pinch pleat to eyelets and blackout lining to poly-cotton lining.

With various finishing touches such as tiebacks and cushion covers, our range of made to measure curtains offer the ideal bespoke solution.

ROMAN BLINDS

MANUAL | MOTORISED

Stylish and sophisticated, Roman blinds are the perfect choice to add a look of luxury to your home.

Whether used as a statement piece or teamed with curtains, the result is a captivating feature window.

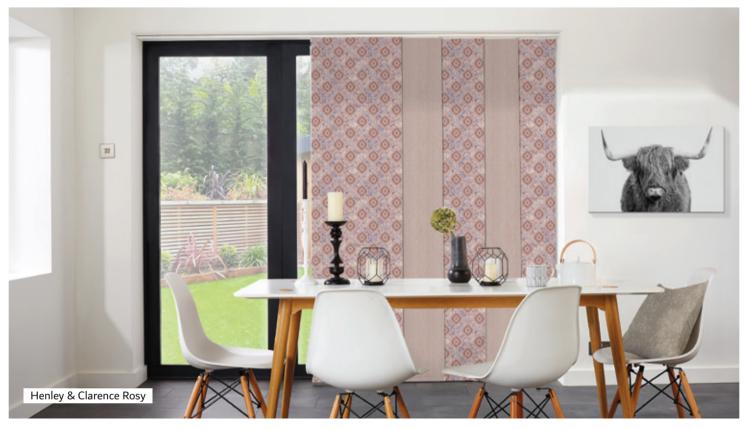

Our range of beautiful fabrics offers a wonderful choice to suit all decor styles, with standard or blackout lining available for extra light control.

PANEL BLINDS

MANUAL | MOTORISED

Window coverage with a modern twist; our Blindtex panel blind range is ideal for large window spaces.

Panel blinds use a sliding system for smooth operation, neatly stacking panels to either side of the window when in the open position, or sliding over the width of the window to create a truly stunning feature in any room.

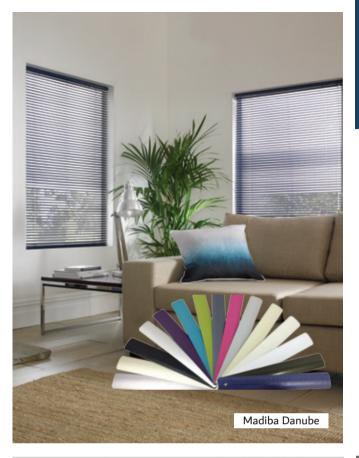

Romex blinds create a stunning focal point in any room. With a huge range of options in hard roller fabrics, these stitchless Roman blinds are the modern alternative to the traditional Roman blind.

Available in various translucent, screen, dim-out or blackout fabrics.

ROMEX BLINDS

ALUMINIUMVENETIAN BLINDS

Offering light control in a range of fashionable colours, our made to measure Aluminium Venetian blinds suit any decor.

Operated by coordinating control cords, controlling light with the tilt and turn mechanism is simple and easy.

Designed with a unique curved head-rail system ensuring smooth effortless operation.

Blindtex exclusive Aluminium Venetian Blinds are available with colour matched accessories and mixed slat options to complete the look of a simple but beautiful blind.

FAUX WOOD BLINDS

MANUAL | MOTORISED

Our made to measure range of Faux Wood Venetian blinds are available in a variety of wood colours.

Faux Wood Blinds are available in two styles; A corded option where the slats operate through a single discrete cord offering uninterrupted views. Or a tape option that conceals the cord

and provides a statement look. The tape is available in 6 different finishes that match the slats to create a seamless look or mix and match for a personalised style.

HONEYCOMB BLINDS

IDEAL FOR ULTIMATE PRIVACY -

The unique Honeycomb structure of these blinds makes this range the most energy-efficient blind for the home or office.

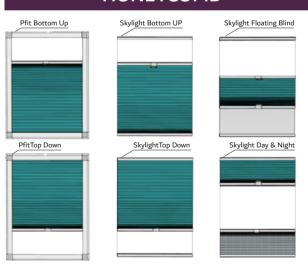

Providing insulation at the window, it keeps the room warmer in the winter and cooler in the summer, showing energy savings of up to 25%.

Combined with our range of stylish colours and designs, the Honeycomb blind range is the perfect solution for any room.

Honeycomb blinds are the perfect solution for swinging doors, outward opening windows, conservatories and uPVC windows and doors. The frame offers a drill-free installation, leaving no holes, and quick and easy to fit.

HONEYCOMB

CUBICLE CURTAINS & TRACKS

Blindtex offers a wide range of cubicle curtains to fit every need and use, with specialist fabrics including anti-bacterial, anti-fungal and flame retardant ratings.

Our cubicle curtain collections include 100% polyester with inherent flame retardant properties. Designed specifically for healthcare use and washable at 60°.

Our hospital style cubicle curtains, also known as privacy curtains, are fabricated with or without mesh heading.

View our full range online here

MEDICATED

BLINDS & CURTAINS —

Blindtex is an established brand, offering high quality and made to measure medicated blinds and curtains specifically designed and tailored to the requirements of the medical industry.

We understand that hospitals, medical and health care centres do not compromise on quality and design which is why our bespoke medical blinds and cubicle curtains are manufactured with great attention to detail. Featuring fire retardant and antibacterial fabrics to provide a safe and secure environment for patients, doctors & practitioners.

VERTEX BLINDS

MANUAL | MOTORISED

Vertex blinds are the latest addition to our range, combining the luxurious look of curtains but operate with the versatility of vertical blinds. Vertex is ideally suited for large window spaces and bi-folding doors.

Each fabric louvre softly folds to create a uniform appearance and because each louvre hangs independently you can walk through the blind to your outdoor area, without disturbing the ambience in your room.

The Blindtex range is available in a variety of different material types, all beautifully crafted to suit a variety of needs and budgets.

Choose from an array of different shutter styles, louvres, colours and wood stains.

Measured and handcrafted to fit your window beautifully.

Shutters are a stylish and versatile option, offering a vintage charm to contemporary minimalism; they can suit all decor styles.

SHUTTERS

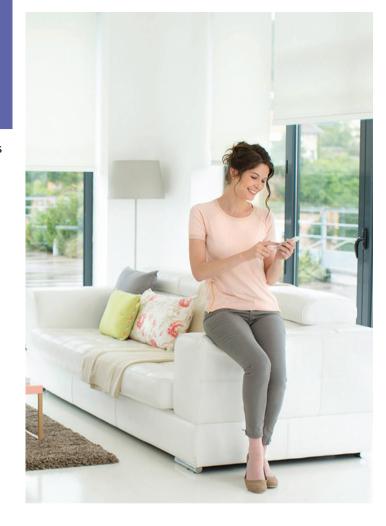

MOTORISED

BLINDS & CURTAINS

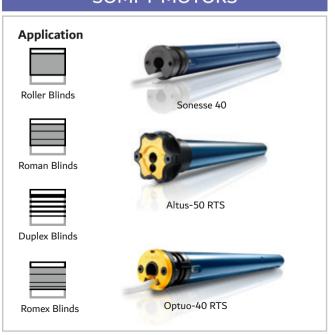

Motorisation is becoming increasingly popular, and it is a fresh and exciting innovation that offers luxury and comfort. You can now adjust the position of the blind without lifting a finger with motorisation! From voice command to touch motion, the blinds and curtains within our range can be integrated with Blindtex and Somfy motors, ensuring a complete smart-home experience.

Motorisation and compatibility with Google Home, Alexa and many other devices have opened up an exciting new avenue for the world of window furnishings, allowing users to effortlessly watch the blind glide up or down with the touch of a button. The range boasts several wired and battery-operated motors to suit all requirements.

Motorisation is not only convenient but is also childsafe, a bonus for family homes; no cords of any kind for that added peace of mind. Adjust the balance of light entering your room in style!

SOMFY MOTORS

CURTAIN MOTORS

HOME AUTOMATION

CONVENIENCE AT YOUR FINGERTIPS

Smart home technology is becoming an everyday use in our lives today. With our motorised solutions, you can control your blinds and curtains through voice command and a mobile application.

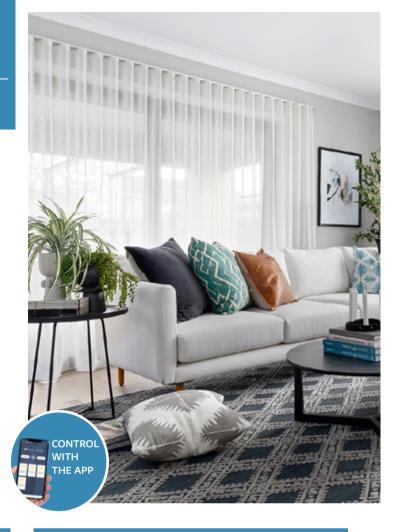

With many advantages such as wake up timings, voice commands such as "close my bedroom curtains" offering you ultimate convenience!

With the added element of safety, who will know you've gone on holiday when it seems like someone is home!

CERTIFIED PRODUCTS

Blindtex aims to not only provide unbeatable service but also ensure high-quality product experiences which is why all our products from blinds to curtains are certified to cater to your specific requirements.

Our medicated blinds and curtains, specially designed for the healthcare industry are inherantly flame retardant, antibacterial and Oekotex approved. All our sunscreen roller blinds are certified by GreenGuard to ensure the quality of air in your homes.

BASIX

Blindtex offers a huge range of fabrics in a variety of colours and textures to suit all environments.

Our Basix collection brings fashionable cost-effective window blind fabrics in Roller, Panel, Romex and Vertical Blinds.

The range consists of 189 fabrics with a selection of 101 Translucent, 63 Blackouts, 16 Sheers, 8 Screens and 9 Dimout swatches.

UL ECOLOGO UL GREENGUARD GOLD

COMMERCIAL

BLINDS & CURTAINS

At Blindtex we understand that commercial window covering projects have different demands and requirements.

To suit all demands we offer fire retardant materials, anti-bacterial materials, an array of screen blinds and classic colours for our timeless vertical and roller blinds.

Better still, we offer a logo printing service, allowing you to print your brand on either side of your blind promoting your business from every angle.

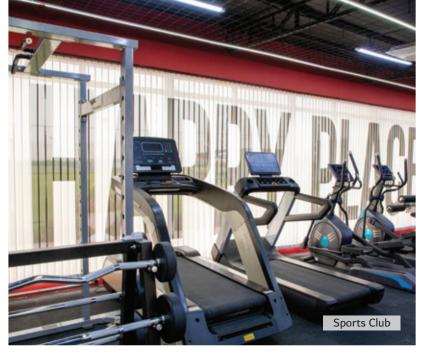

Available on translucent, blackout and screen this is the ultimate corporate window blind.

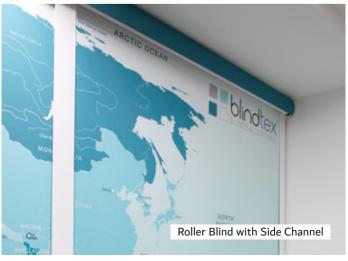

BLOCKOUT BLINDS

THE PERFECT SOLUTION

The ultimate solution for those who are sensitive to light!

Our blockout-system uses side channels, which serve as tracks for the blinds to run up and down. However, there is more than meets the eye.

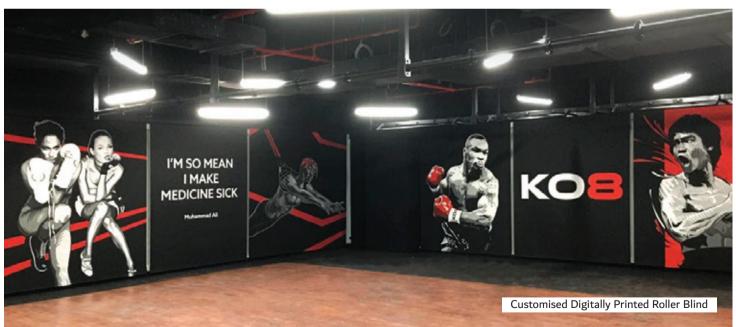

This seamless design serves the most light-blocking solution in our collection, achieving an ultimate blockout solution, perfect for nurseries or sensitive sleepers! This sleek configuration is designed to create unobstructed views and blend minimally into your decor.

Give your windows a makeover with our customised printed blinds. Available on translucent, blackout, screen and textured fabrics you can design your blinds to complement your home decor.

It may be a family photo, to a design you love, from wallpaper you want to match in your room or that colour you just cannot find anywhere! We can do it all.
