Dear Hiring Manager's

I am writing to express my interest in the construction Manager position. With over 20 years of experience in multinational consulting and construction firms, I have successfully managed large-scale infrastructure projects across Saudi Arabia and Egypt, demonstrating a strong commitment to quality and efficiency.

My background includes a proven track record in supervising complex projects, including water treatment plants, sewerage systems, healthcare, educational and residential facilities.

In my most recent position at C.P.A.S, I led the Nasr El Nuba Central Hospital project, managing a budget of 400 million Egyptian pounds and ensuring compliance with healthcare standards and regulations. My results-driven approach consistently delivers projects on time and within budget, while maintaining high quality standards.

Some key achievements from my career include:

- Enhancing healthcare access which serves more than 500,000 citizens in Nasr Enuba, through the construction of the **Nasr El Nuba Central Hospital, Aswan**
- Successfully improving water access for over 300,000 residents through the **Dawadmi Water Treatment Plant, KSA.**
- Successfully providing modern and sustainable urban communities through construction of 350 units of distinct residential apartments at **SKAN MISR project** in new Aswan City.
- Implementing quality control measures that reduced non-conformance deliverables to less than 5%.
- Establishing safety protocols that resulted in zero workplace accidents during projects durations.

I hold an **MBA** and have completed numerous training courses in project management and construction, further solidifying my expertise in the field.

I am proficient in various **project management software** and methodologies, which I leverage to optimize project outcomes.

I am excited about the opportunity to bring my experience and leadership skills to your team and contribute to the successful delivery of impactful projects. Thank you for considering my application. I look forward to discussing how I can make a valuable contribution.

Sincerely,

Mohamed Assayed

Project Manager
